

TAX-DEDUCTIBLE DONATIONS FOR MARIE SLUCHAK COMMUNITY PARK

The Tahoe Cedars Property Owners' Association (TCPOA) developed and operates the Park for the benefit of the general public.

Various community events are currently held in the park including live music, BBQs, and church services in the summer months, and the annual Holiday Gala, all of which are open to the public. In recent years TCPOA volunteers have replaced or refurbished the stage, sound system, seating and storage shed in the park. There are also public picnic tables, a masonry BBQ, water fountain and a porta-potty in the park.

Marie Sluchak Park is the only community park of its type in the vicinity, and the next nearest playground is over six miles away at Kilner Park in Sunnyside. Let's nurture this community resource, for residents, vacation homeowners and visitors alike, in our special little corner of the west shore.

Please donate to the Tahoe Cedars Property Owners Association, earmarked for improvements to the Marie Sluchak Park playground. Thank you for your investment in our community.

To be tax-deductible, donations must be made via Tahoe Truckee Community Foundation, (TTCF), a 501(c)(3) organization which disburses the funds after determination that use meets charitable deduction purpose.
